How to Get a Library Card

If you are a resident of Richland County, come into the library with a photo ID that shows your current address. If your ID does not have your current address, you will need to bring in a proof of address—this could include any piece of non-junk mail, a utility bill, etc. Children under 16 will need to come in with a Parent or Guardian. There is no charge for a resident library card.

If you are not a resident of Richland County, you can still get a card. Minnesota residents who have a LARL library card are able to receive a card at no charge via our reciprocal agreement. All other non-residents may pay a \$10 fee to get a card good for up to 3 years.

3D Printing @ the Library

Have you seen our 3D printer in action yet? 3D printing is available for public use. Design your own model, or download a design for free. Printing charges start at \$3.00- Stop into the library to get started!
