How to Get a Library Card

Getting a library card is easy. If you are a resident of Richland County, you only need to come into the library with a photo ID that shows your current address. If your ID does not have your current address, you will need to bring in a proof of address—this could include any piece of non-junk mail, a utility bill, etc. Children under 16 will need to come in with a Parent or Guardian. There is no charge for a resident library card.

If you are not a resident of Richland County, you can still get a card. Minnesota residents who have a LARL library card are able to receive a card at no charge via our reciprocal agreement. All other non-residents may pay a \$10 fee to get a card good for up to 3 years.

Borrow an iPad

Members of the library are able to borrow an iPad for two weeks. In order to borrow an iPad, you must be over 18 and have had a card in good standing for at least 3 months. iPads are loaded with a variety of apps. All iPads are equipped so that members may download library eBooks or eAudiobooks from Library2Go or digital magazines from Zinio.
