## How to Get a Library Card

If you are a resident of Richland County, come into the library with a photo ID that shows your current address. If your ID does not have your current address, you will need to bring in a proof of address—this could include any piece of non-junk mail, a utility bill, etc. Children under 16 will need to come in with a Parent or Guardian. There is no charge for a resident library card.

If you are not a resident of Richland County, you can still get a card.

Minnesota residents who have a LARL library card are able to receive a card at no charge via our reciprocal agreement. All other non-residents may pay a \$10 fee to get a card good for up to 3 years.

## 3D Printing @ the Library

Have you seen our 3D printer in action yet? 3D printing is available for public use. Design your own model, or download a design for free. Printing charges start at \$3.00- Stop into the library to get started!

## Open Saturdays

The library will be open on Saturdays from 9:00 AM-1:00 PM through May 20.

# Big things happening in the Children's Library!

Last summer, the library was the recipient of a very gracious and beneficial donation from the Polly Benn Groneman Estate. It was decided to use that donation to renovate and improve the Children's Library with wall repair, new shelving, and carpet. The project began in November and is on target to be completed by the end of February. We have continued to serve the public with access and programming during the construction period. Please stop in and see the progress, as we look forward to its' completion!
