

## **Unattended Children Policy**

Leach Public Library

Children are encouraged to use the Leach Public Library as a place of study and inquiry. The library encourages parents, guardians, and caregivers to use the library with their children. Children six and under must be accompanied at all times by a responsible party. Pre-teens and any child not able to travel alone must be picked up prior to closing. Disruptive juveniles may be asked to disperse at the librarian's discretion. Parents are responsible for the behavior of their children; guardians and caregivers are responsible for the behavior of children in their care. The library is not responsible for the safety or security of children left unattended.
